2024 Northeast International Auto Show Rolls Into Rhode Island Convention Center

Providence, R.I. (January 23, 2024) – The 2024 [Northeast International Auto Show](#) will fill the Rhode Island Convention Center with the latest new cars, trucks, crossovers, SUVs, electric vehicles (EVs), hybrids, pre-production models, and more. The show will also feature tricked-out custom vehicles, pet adoptions in Subaru, and more, from Friday, February 2 through Sunday, February 4, 2024.

Celebrating the Northeast’s car culture, this is the place to check out the latest 2024-model vehicles in a non-selling environment, talk to product specialists and inspect engines. Guests will have the opportunity to learn about hybrids, plug-in hybrids, EVs, and traditional gas engines, helping them choose what best suits their needs. The auto show will feature several all-new vehicles including the **Volkswagen ID Buzz EV, 2025 Subaru Forester, 2024 Toyota Grand Highlander, Ford F150, 2024 Ford Mustang GT, Nissan Ariya (EV), Nissan Z, Kia EV9, Toyota Prius Prime**, and more.

“Just as 2024-model year cars and trucks are showing up at your local dealer, there’s plenty of good news for new car shoppers,” said [Autotrader Executive Editor Brian Moody](#). “Prices are trending down on many models, there is an abundance of new and used car inventory, and new car incentives are up more than 100 percent compared to this time last year. While some buyers are interested in electric cars, most prefer hybrid or gasoline only powered vehicles. Today, there are more than 33 hybrid vehicles now available - and many of those will be on display at the Northeast Auto Show, making it a great place to learn about all the options available today.”

This year’s auto show will also feature **Subaru Pet Adoptions** all show days. Pets looking for forever homes will be available for adoption in Subaru. Additionally, a collection of tricked out Jeeps from 401 Jeep Wave members will be on display.
